ACTIVITIES FOR SENIOR ADULTS

ROOF REPLACEMENT PROJECT

Our building is a vital tool for our ministry and it requires some attention. The Stewardship and Building & Grounds Committee have approved replacing the roof from storm damage and work is completed.

The estimated final cost is at the \$50,000 mark which is what is required to be held in our "Self Insurance Deductible Fund."

Prayerfully consider making an extra financial gift now or on Sunday, June 28, during our special offering time to replenish our Self-Insurance Fund that is being used to fund this project.

WAYS TO GIVE

Online: Visit our giving page in the app and select "Roof Replacement" or support through envelope to "Roof Replacement"
