MEET
Marc Kelly

CENLA Mission

Marc Kelly currently serves as the Interim Senior Pastor at Baskin Baptist Church in Baskin, Louisiana, a role he has held since March 2026.

Marc was saved during a revival service in February 2004 while attending Philadelphia Baptist Church in Deville, Louisiana. Although he had been active in church for many years—teaching Sunday School and leading a men’s ministry—he realized at the age of 34 that he had never fully surrendered his life to Jesus Christ as Lord (Rom. 10:9).

While his salvation radically changed his life, Marc later came to recognize a deeper calling toward intentional discipleship and evangelism. In February 2023, after attending a men’s retreat hosted by Baskin Baptist Church, he heard for the first time the Great Commission (Matthew 28:19) and began to live it out.

Since that time, Marc and his team have helped lead men’s and women’s retreats across Central Louisiana, where hundreds of lives have been impacted through the teaching of God’s Word and intentional discipleship. Their ministry focuses on helping people discover their God-given gifts and encouraging them to actively engage in Kingdom work.

Marc and Michele have two sons, Graham and Jon, two daughters-in-law, Natalie and Lauren, and two grandchildren, Rhett and Charlee.
