Parents & Drama Cast:

This looks like a lot, but there are details that take time to work out and there is acting we'll be blocking for the songs. That is included in this schedule. My hope is, that if we hit it hard in Oct/Nov we'll be ahead of schedule. There may be times that we finish early, and we may even be able to shorten or cancel some of these practices all together. But this ensures that you'll feel very prepared. Please always bring your script and memorize your lines as quickly as possible.

Kids Choir:

Please be listening to your songs. Please be at every rehearsal possible. We want to sound BEAUTIFUL for our King! The rehearsal in RED on October 25 is adjusted due to a birthday party a lot of our kids would like to attend.

Thank you all so much for being part of "The Moment Hope Was Born."
I love you all!
Mrs. Tracy
